United Activities Unlimited, Inc. has been providing after-school, evening, weekend, and summer activities in public schools on Staten Island since 1977. The Borough President of Staten Island has recognized UAU for providing quality programming. We are delighted to continue Latchkey under the UAU umbrella for the 2024-2025 school year.

UAU's Children's Activities After Three (CAAT) Program will begin on the first full day of school and continue to the last full day of the school year. Our programs will operate Monday through Friday, from dismissal to 6:00pm, with the exception of official school holidays and scheduled clerical half days.

The fee structure for the 2024-2025 CAAT programs is listed above. The total fee is divided into equal monthly increments regardless of the number of days in a particular month. In order to be up to date with the payment schedule new participants starting midyear are required to make two payments. **It is important that your payment is received on time so the teachers and staff can be paid by the agency.**

Money Orders must be sent to: **United Activities Unlimited, Inc.**  
**1200 South Avenue**  
**Suite 304**  
**Staten Island, NY 10314**

PayPal payments and money orders are the only acceptable forms of payment. Personal checks will be mailed back to you. **If you are submitting a money order, please write your child(ren)'s name and school on the memo line or on the lower right hand corner of the money order.** Keep all money order receipts as record of payment. Late payments or non-payment will exclude the child from monthly registration.

Experienced NYC Department of Education licensed teachers and paraprofessionals from each host school will supervise CAAT activities. The program will be conducted in a wholesome, safe and fun filled environment. Program activities will include homework help, arts and crafts, and age appropriate recreational sports games.

All students must obey the rules of conduct as set forth by the teacher in charge. Unruly behavior will be noted and parents will be asked to remove the child from the program according to the rules explained in the participant handbook. Any child who has been removed in the past will need to be interviewed by the CAAT Supervisor before attending again. The CAAT program's staff to student ratio abides by NYC Department of Health and Hygiene regulations; one on one programming is not offered by this program. If the participant requires a full-time para, the parent/guardian(s) are responsible for providing one.

**CAAT programs end promptly at 6:00pm** so please make sure that the designated pick up person is aware, as there are no provisions for childcare after the 6:00pm closing. An emergency contact person must be listed on your application.
